ABOUT THE PROGRAMME

Training and re-training are now an essential part of the business strategy for all successful companies. Preparing and delivering top quality 'on-the-job' and 'off-the-job' training to meet organizational needs, is an essential skill for companies and organizations. This programme will also prove valuable to In-Company trainers wanting to improve and update their training skills.

WHO SHOULD ATTEND?

This programme is intended for people new to training, or those without any formal knowledge about the design and delivery of training programmes. The course content focuses on the professional delivery of training to small groups in the workplace, rather than on one-to-one training skills.

WHAT YOU WILL GAIN

- A clear understanding of the meaning and value of 'effective training'
- Certain tools / techniques to assist with your training delivery, so you can make an immediate start when you return to work
- The opportunity to design, practise and evaluate training sessions in a supportive and challenging environment
- A comprehensive knowledge of group training and practical skills, which will give you confidence in your ability to help people learn and develop
