**SUKUK AND ISLAMIC CAPITAL MARKETS**

(A Four-day advanced intensive and interactive course designed to provide a detailed overview of the rapidly growing Islamic capital markets sukuk and other Islamic securities. This three-day course will provide an in-depth understanding of the Islamic capital markets and the forces that bring in Islamic securities. It will look at the nature of the Islamic issues and why they are introduced, who issues them, how this is done and what is the market demand for them. It will discuss the various structures of Islamic Sukuk, looking at their market rating and the legal and Shari'ah issues involved. It will also address issues involved in converting conventional bonds into Islamic securities and the rising Islamic investment funds and their structures. The course is designed to show participants how the Islamic market is continuing to develop and opening up new structures. Participants will be able to gain a greater understanding of the dynamics of Islamic finance and this course would be most beneficial to practitioners who are focused on becoming involved in the opportunities this rising segment can offer.)

**CERTIFICATION**

This is a certificated course. Certificate issued by Qatar Faculty of Islamic Studies at the Qatar Foundation. Examination includes short essays and multiple choice questions
